Annexure K – FEE STRUCTURE 2026

Dear Parents and Guardians,

Please find attached the **Modderfontein Academy 2026 Fee Structure**, which **includes tuition, registration and the annual development levy.**

The schedule reflects a **5% increase**, in line with national inflation trends, ensuring our fees remain transparent, competitive and supportive of the quality education we provide.

For returning students, kindly note that the registration fee is a once-off payment. Future tuition will therefore only include monthly fees and the annual levy.

Should you have any questions or wish to discuss payment options, please feel free to contact us. We are always happy to assist.

We kindly ask that you sign the acknowledgment section below and return it to us. Thank you for trusting us with your child's education.

Warm regards,
